NOTICE OF REDUCTION OF PASS.

AGE MONEY.

N the year 1857 the Directors made a consider-

Passage Money, which continued in force till 1881;

In that year owing to the extraordinary rise in

the Cost and Freight of Coals, and the enhanced

price of all descriptions of Naval Stores, tho

Directors were reluctantly compelled to return to

the rates of Passage Money previously in force.

They are now happy to state that a decrease in

the price of Coal and other expenses of Steam Na-

vigation enables them to reduce the Company's

Passage rutes to the undernoted scale, which will

take effect from and after the let June next, viz:-

From Hongkong to :---
